

Welcome from the Year 7 Pastoral team

Hello Year 7! I'm Miss Jaques, Assistant Head of Year 7. I am also a part of the Transition Team so I am here to help and support you as you move to SMC from your Primary school. I feel very lucky to work with Year 7 every year and be able to experience your first year at SMC with you! I really enjoy dancing and cooking and I have a pug called Dexter who I like to talk about a lot!

Hello everyone! I'm Mrs Dale and I am the Learning Mentor for Year 7. I am here to help and support you through the transition from Year 6 to Year 7. I am also the designated ELSA (Emotional Literacy Support Assistant) at St Mary's College. I like to keep fit and enjoy running and I have recently taken up Yoga. I also love baking lots of tasty treats for my friends and family.

Hi everyone! I'm Miss Ramsden and I coordinate Transition and SEND (Special Educational Needs and Disabilities) at SMC. I work with all Year groups in the school and I especially look forward to meeting our new Year 7 students! I have two boys who I love to go on bike rides with, and I enjoy cooking, reading, exercise and spending time with friends and family. I'm looking forward to learning all about you!

Hello, I am Miss Bartnik and I am EAL link (English as an Additional Language) in Year 7. At St Mary's College I help and support students from different countries and of different nationalities. I really like my job role as I find it very interesting. In my spare time, I love reading books, drawing and doing yoga. I am also passionate about History and Foreign Languages. I look forward to meeting you!

World class experience. World class thinking. World class achieving.
