

ST MARY'S COLLEGE

5th September 2023

Dear Parent/Carer

Route changes that will affect the following bus services – 955, SMC 3 & SMC 6

Following the completion of the bus survey in July, it is clear that the distribution of students across certain bus routes has changed from the last academic year. As such we are making the following changes to our bus services listed above. The 955 will run as previously but will now be supported by the SMC6/955 service that will make stops at Kingswood Medical Centre and Kingswood ASDA before arriving at St Mary's College. To facilitate this the SMC 3/959 will now pick up students from the Holderness Road area. Full details of the new routes are below. We will monitor this over the first three weeks of the half term to ensure these changes best service our students access to school.
