Thursday 25th January 2024
4.30-7.00pm**

**Scan the QR code to apply for a place at SM6, or
apply via Log On Move On**

Welcome

Mrs Laura Horton
Senior Assistant Vice Principal
- SM6 Quality of Education

Our class of 2023 achieved some of the best ever results this summer and moved on to some incredible destinations, and I'm keenly aware that I join St Mary's Sixth Form at a very exciting stage in its journey. I'm passionate about improving the life chances of young people, and supporting them to achieve their career goals, through outstanding teaching and learning and exceptional personal development which enables them to progress to their next steps with confidence, whatever these might be.

A former student of The Boulevard Academy, Chidimma chose to come to SM6 without any of her former close school friends to support her. "When I first came, I was so nervous, but I (and my mum) knew that this was the place for me to come and study as it's simply the best there is locally."

Currently in her second year in the Sixth Form, Chidimma is studying A Levels and is applying to study Medicine at one of the country's top universities such as Imperial College London or the University of Cambridge.

Whilst not having to rely on the College's Pastoral Teams last year, Chidimma feels very reassured in knowing who is there to support her and she is overwhelmed by the help offered by teaching staff whom she describes as 'amazing', "No matter when you ask a question or ask for some help, they seem to be here at any hour to support".

"The commitment from teachers here is amazing, they have such dedication and belief in the students. They really believe the students here are the 'future' and they invest so much in us".
