

ST MARY'S COLLEGE

16th January 2024

Dear Parent/Carer

Gas works which will affect the SMC3 Bus Service

We have been informed that there will be gas works in Hedon starting on Monday 22nd January. The works will affect students who catch the SMC3 at the Today's Local store, these students will need to use the bus shelter at Johnson's Corner.

The works are going to be in two stages and the diversions in Hedon will be as follows:

First stage - W/C 22/01/2024 up to 2 weeks (AM journey)

Students who catch the bus at Today's Local will need to be at the bus shelter at Johnson's Corner, the bus will then use Staithes Road to the next bus stop Al Capone, Preston and continue as normal.

Second stage - W/C 19/02/2024 up to 7 weeks (PM journey)

The bus will come through Preston and turn right onto Staithes Road and students will be dropped off instead on Baxter Gate.

Please could you ensure that if this affects your child that they know where to embark /disembark the bus. The driver will also speak to them.

Thank you for your understanding.

Yours sincerely

G. Wild
